

DFV Deutsche Familienversicherung AG: Annual press conference of Europe's first listed Insurtech

Frankfurt am Main, 25.03.2019

The first DFV Deutsche Familienversicherung AG balance sheet press conference will take place on April 04, 2019. On December 04, 2018, DFV completed the first IPO of an insurtech in Europe and has since been listed in the Prime Standard of the Frankfurt Stock Exchange. The IPO was followed with great interest on a national and international level. At the annual press conference, new products, new customer usability and the 2018 full year results as well as sales results for Q1 2019 will be presented. The latter will give an initial prospect of meeting the annual target of 100,000 new customers in 2019.

Accreditation period

The number of seats for press representatives is limited, so please register at the following address by next Monday, 01.04.2019: presse@deutsche-familienversicherung.de

The Annual Press Conference will take place at the company's headquarters on Thursday, 04.04.2019, Reuterweg 47, 60323 Frankfurt a. M., Germany. The event starts at 11.00 a.m. and will end at 1.00 p.m. Food and drinks will be served.

About DFV Deutsche Familienversicherung AG

DFV Deutsche Familienversicherung AG (ISIN DE000A0KPM74), the first listed Insurtech company in Europe, was founded in 2007 as an insurance start-up with the aim of offering insurance products that people really need and immediately understand: "Simple. Reasonable". DFV Deutsche Familienversicherung AG is known for its multiple award-winning supplementary health insurance (dental, health and long-term care insurance) as well as accident and property insurance. Based on the ultra-modern and scalable IT system developed in-house, the company sets new standards in the insurance industry with consistently digital product designs and the possibility of taking out policies via digital language assistants.
